

CLOSTER NATURE CENTER 2021 SUMMER PROGRAM

Ready to join friends outdoors this summer? Register now.

Our **136 acres** of ponds, streams, meadows and forest are waiting to be explored by young people in small groups led by our naturalist, Marc Gussen and his assistant. Children will hike, dig, wade in the water, examine nature, discuss the environment and above all, have fun!! For over 50 years, our goal has been to help every child become active and at ease outdoors, to see him/herself as a part of nature and to appreciate the natural world as a source of learning and adventure.

We offer 2 hour classes for children ages 4-6. And 3 hour classes for ages 7-10 and 11-14. Both morning and afternoon programs are offered each week.

COVID-19 STATE AND LOCAL GUIDELINES WILL BE ADHERED TO BY ALL.

During the pandemic, CNC has required mask wearing and our expectation is to remain exclusively outdoors, with access to our bathrooms. This may continue this summer. Programs are limited to 12 students each. Please plan for any guidelines.

Your child should arrive for the weather predicted for each day.

Raincoats, rain pants, and rainboots may be necessary. CNC will send you a gear list.
